

Online questionnaire via Survey Monkey

Some time ago you participated in the Diabetes Counselling and Empowerment course at Knuston Hall or Galway (if you attended the Irish course).

We are evaluating the impact of this course and would appreciate answers to several questions about your experiences.

1. Which year did you participate in the course?

2. Please indicate your sex

3. How many years have you been in practice or were you in practice if you have now retired?

4. What is your professional discipline?

Reflections on your experiences

We would now like you to write some reflections on your experience of the course. Please consider these points as you do so.

- If you refer to any experiences involving patients, please be sure not to give any information from which they could be identified.
- We will treat your information with complete confidentiality however we would prefer you not to give very personal and/ or identifiable information about yourself.

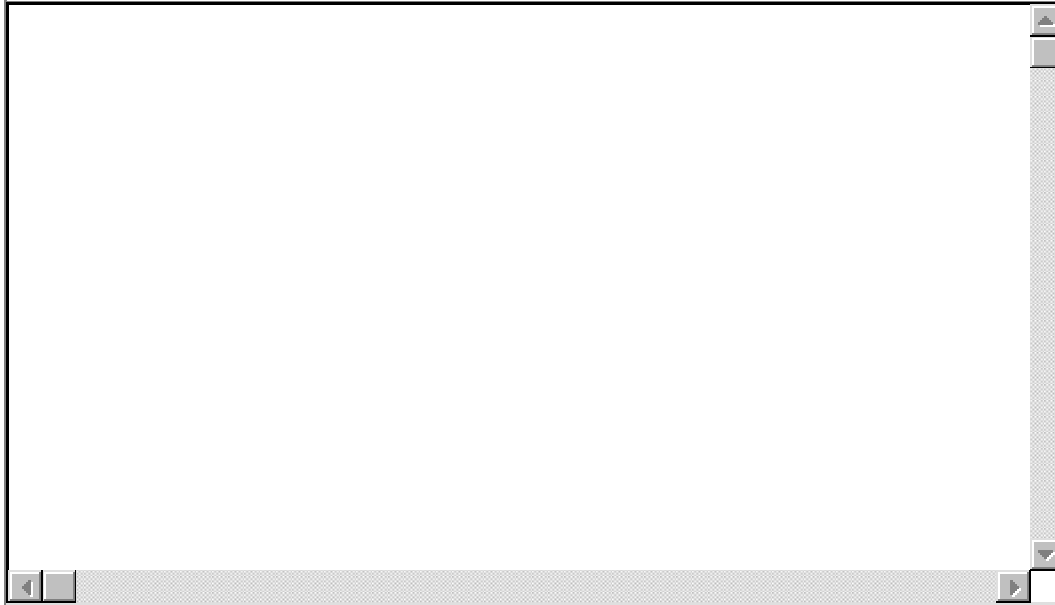

The pages which follow invite you to look back at your experiences at the time and since, and reflect on 'me as a professional' in relationship with;

- patients
- clinical practice
- the systems of care I work or worked in.

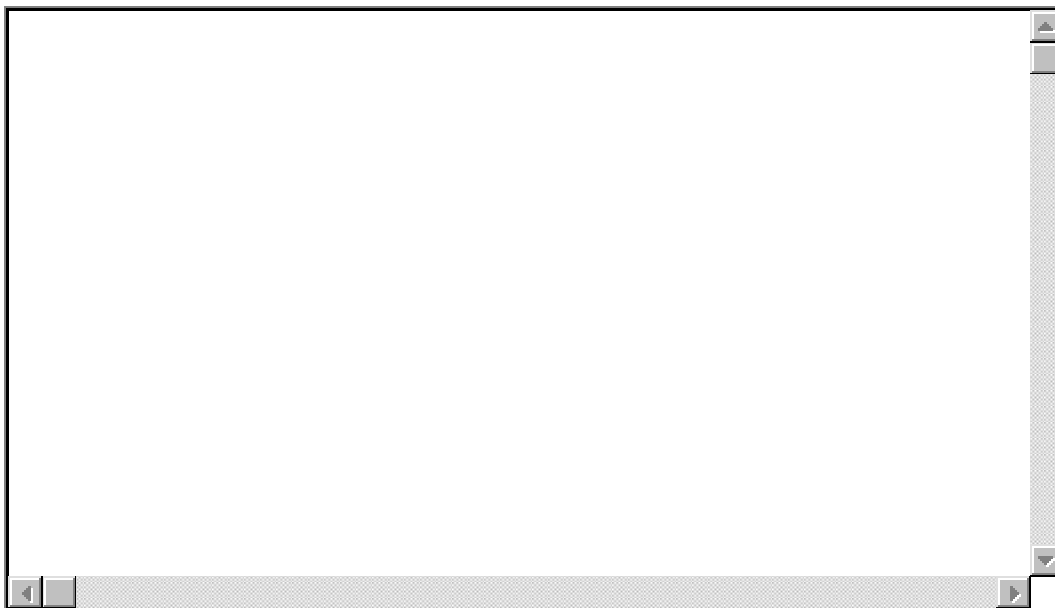

It would be helpful if you could describe one or more experiences which exemplifies your experiences

Please describe your reflections on the impact that participating in the Diabetes Counselling and Empowerment Course had on you.

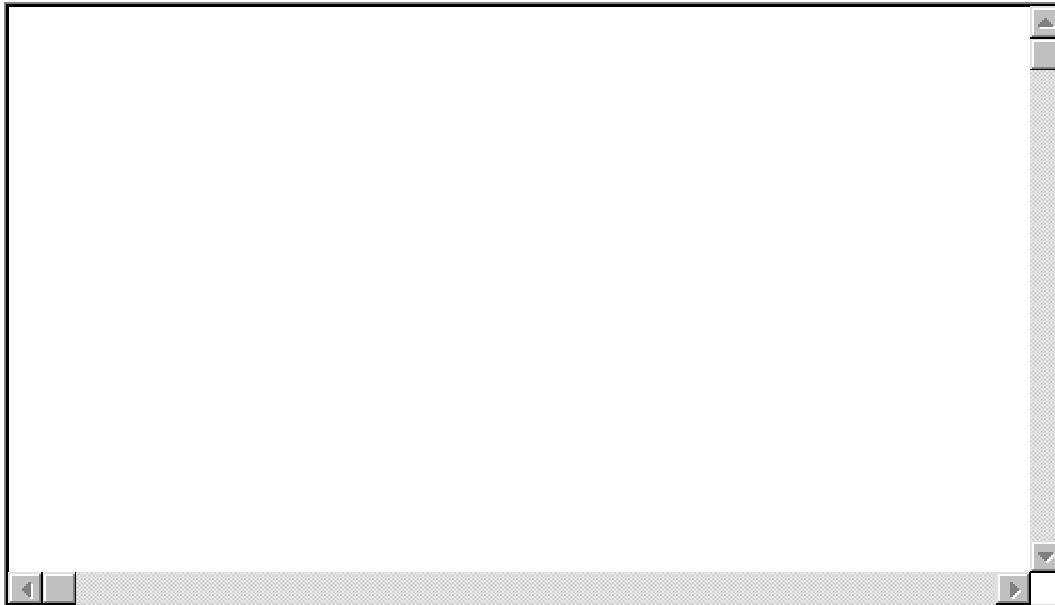

Please take into account the points included in the description above.

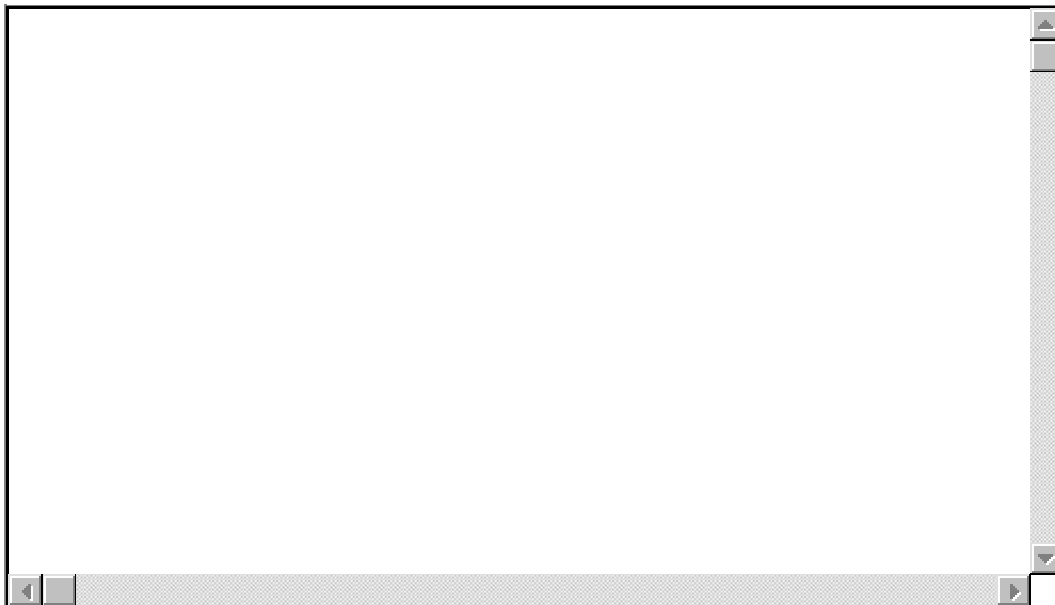

6. In reference to question 5 please describe experiences / an experience that exemplifies this

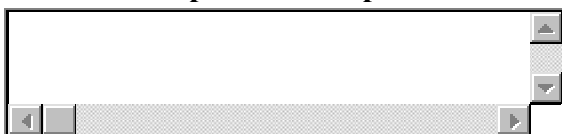

7. Please describe your most vivid experience of the Diabetes Counselling and Empowerment Course
